Letter From the President

Lynnea Bylund

2023 was a year of profound transition, expansion, and renewed purpose for Gandhi Worldwide Education Institute and the Ahimsa Peace Institute. With the passing of Arun Manilal Gandhi, our beloved mentor and the guiding force of GWEI's mission, we stepped into a deeper stewardship of his legacy. Before his passing, Arun personally entrusted me with carrying on the work and safeguarding gandhiforchildren.org. His final request has become our call to compassionate action.

This inaugural year of our Nevada reorganization marks the beginning of a new chapter for our educational programs, humanitarian partnerships, and global peace initiatives. We honor Arun's life and continue the work with humility, joy, and unwavering commitment to nonviolence.

Thank you for walking this path of service with us.

With Ahimsa,

Lynnea Bylund

President, GWEI – Ahimsa Peace Institute
